An impressive and informative portfolio is a must these days if you want to stand out from the crowd. Let's be serious, we all know how important it is to present your work through a professional portfolio. No matter if it's a photography portfolio, graphic design portfolio, fashion portfolio, resume portfolio, or simply architecture portfolio, Flipsnack's got portfolio ideas for every situation. You might say that it's impossible to make a creative portfolio without design skills! This couldn't be further from the truth. We've already done the design thing for you, so all you've got to do now is to edit whichever portfolio template you want! So easy, right? Flipsnack offers you hundreds of free online portfolios so you can unleash your creativity and create the best portfolio ever that will definitely catch everyone's attention! As we've said before, it can be any kind of portfolio, we have plenty of everything. Are you a passionate photographer and want to present the beautiful shots that you've captured? How about choosing an online photography portfolio from Flipsnack? Or maybe you're an architect and you're preparing to present your work to your next possible client. Try an architecture portfolio layout from us in order to impress! Give the world a chance to admire your outstanding work by displaying it in one of our creative graphic designer online portfolios. Are you looking for a job? What better way to strike at the interview than creating a portfolio in this sense? Pick one of our cv portfolio templates and get that job! And from now on, we also have resume portfolio templates! What are you waiting for? Try these portfolio examples from Flipsnack now! Flipsnack gives you the opportunity to fully customize the entire online portfolio. Pick stunning and professional images from our stock, or simply upload your own photos. Change the background colors, fonts, and graphics to fit your style with our easy-to-use Flipsnack editor. Create a powerful brand identity with our free online portfolio builder and inspire your audience. Once you're pleased with the final result, download your portfolio design as PDF, JPG, or PNG. And you can also share it with the entire world with just one click. It's so nice to create stunning portfolios with Flipsnack! An assortment of free and premium of templates that will help you to create your portfolio. A4 (210x297 mm) US Letter (8.5x11 in) Because of its structure, this document can't be automated. Download The document has a colorful layout and it is well-structured. This template is fully editable in Adobe InDesign and it is free to download. Do you want to automate your template? Document Automation LEARN MORE Close Change language Skip to content Skip to footer Are you thinking about or needing to create a portfolio of your best work? Or perhaps you want to compile a fashion lookbook? If either of these scenarios describes your situation, read on. This collection of free portfolio and lookbook templates for Adobe InDesign will appeal to a broad audience, all while offering a convenient way to present your latest fashions or photos. While these templates can be used outside of the photography, fashion, or beauty industries, some feature design elements that appeal specifically to those niches. This is an excellent asset to those looking for a quick way to create a portfolio or lookbook without having to conceptualize them from scratch. Now, without further ado, let's get to this collection of portfolio and lookbook templates for InDesign! The Adobe InDesign Toolbox View All InDesign Templates Free InDesign Lookbook Template The Free InDesign Lookbook Template offers a simple layout that allows your photographs to shine. It comes with 26 layouts, which is perfect for cobbling together a spread that works with your mission statement. It supports A4 and US Letter sizes and can easily be used for brochures, magazines, company reports, and more. However, the layouts do offer a fashion feel, so keep that in mind when downloading. Photography Portfolio InDesign Template (Envato Elements) The Photography Portfolio InDesign template is straightforward in its presentation, yet it's an absolute stunner. It supports two-page spread layouts for those more significant ideas and fashion moments and can easily be adapted to suit interior design or architectural fields. This template is print-ready, is fully-layered, and can be customized easily, thanks to a grid-aligned layout. Your edits will not throw off the balance of this template's overall look. Modern Design Lookbook Template The Modern Design Lookbook Template is another solid choice for those looking for a simple way to present their designs or portfolio pieces. What stands out here is the bold background color choices and how this can be used to complement the photography on each page. This template comes with 13 completely editable pages, is print-ready, and fits the A4 paper size. Stylish Architecture Portfolio Template The Architecture Portfolio Template emphasizes clean lines and layouts. It completely embraces the idea of minimalism, favoring full-page photo spreads, solid color backgrounds, and centered text boxes over columns of text or a more magazine-style design. This template is print-ready in the A3 size, making for an extensive portfolio that's easy to edit. The included color scheme and many layouts make for a stunning end product here. Portfolio/Lookbook InDesign Template (Envato Elements) What a beauty this template is! The Portfolio InDesign Template can be used for various projects that require a lookbook or portfolio and is super easy to edit thanks to its grid-based layout and included vector graphics. This template is customizable in A4 and US Letter sizes and consists of 24 pages of layout options and free fonts. Vertical typography choices and subdued photographic backgrounds make a real impression. Stunning Portfolio Template for InDesign The Stunning Portfolio Template for InDesign is excellent for displaying graphic design work, photography, or fashion. It can even be used for architectural spreads. This template comes with various page layouts and a front and back cover, making it the complete package. It's print-ready in US Letter size and includes modern typography and color scheme choices, making it perfect for acting as a backdrop for your latest masterpieces. Free InDesign Portfolio Template The Free InDesign Portfolio Template can display portfolio work from any industry thanks to its sleek black cover and editorial style interior. With plenty of page layout options, including many two-page spreads, this template would look fantastic with fashion photography gracing its pages. It's easy to edit each page layout to include your custom content, and the template is print-ready in A4 size. Clean & Minimal Portfolio InDesign Template (Envato Elements) Another excellent template choice is the Clean and Minimal Portfolio InDesign Template. This one has an authentic corporate look, but it could easily be adapted for display fashion looks, graphic design, or photography. This template includes 24 pages that you can customize with your content. It uses free fonts, and all text, images, and colors are entirely editable, so you're sure to achieve the look you want. Eight-Page InDesign Portfolio Template If all you need is free stylish pages to present a couple of portfolio pieces, this Eight-Page Portfolio Template should do just fine. This template features an eye-catching and geometric design, highlighting your work with graphical lines and bold color choices. Beyond portfolios, I could easily see this template being used for a media kit or company report, too. Wonder Tour Photobook Template for InDesign The Wonder Tour Photobook Template for InDesign is, as its name would suggest, perfect for showcasing photography. This would benefit photojournalists looking to advance their careers, architects wishing to highlight their latest work, and even fashionistas who want to share their designs. This template has a whopping 31 pages of color swatches, paragraph styles, and more. Portfolio & Resume InDesign Template (Envato Elements) The Portfolio and Resume InDesign Template includes 32-pages that can be printed in both US Letter and A4 sizes. It's easy to customize thanks to the organized layers, and you can add color swatches, and there are custom paragraph and character styles that make it easy to define the look you want. There's even a help file that walks you through how to change images, text, and swatches. This multipurpose file can be adapted for use within a range of industries and for a number of purposes. Designer Portfolio InDesign Template The Designer Portfolio InDesign Template is the perfect choice for a graphic designer or web designer looking to highlight some of their best works to potential clients. Within the 8 sample pages, you have plenty of layouts to choose from for displaying logos, brochures, graphics, and other examples of your work. The template features a half-fold design, and it relies on free fonts, making it easy to mimic the sample pages without having to shell out money on extra resources. Interactive Portfolio & Resume Template The Interactive Portfolio and Resume Template comes with a three-page layout and two color schemes, offering just enough choice to ensure you obtain the look you want without committing a ton of time to design. This template would be ideally used for a graphic or web designer's portfolio since it has a dedicated page where you can input links to websites you've worked on recently. However, it also has a resume page and a case study page, which could be adapted for several industries. All in all, a fantastic free choice here. Before you put together a portfolio or lookbook, and especially before you shell out money on a template, take a look at this collection of free Adobe InDesign templates. Not only are they nice to your budget, but they also feature lovely designs and layout options that make it easier than ever to put together a portfolio in a couple of hours – rather than a few days.
